

# **WALTER REYNOLDS**

## **EXECUTIVE DIRECTOR / PRINCIPAL**

Following a 24 year career in the US Navy - where he served as a helicopter instructor pilot, instructor evaluator, training and operating procedures developer, and military director of one of the Navy's Warfare Centers (Lakehurst, NJ), Walt began a career in K-12 Classical Education.

Throughout his military and educational career, Walt has maintained a "teacher first" approach - serving as a flight instructor even while he acted as the Navy's sole squadron training and operation procedures evaluator for all MH-60R squadrons; teaching science and coaching swim and wrestling, even while he served as the Athletics Director at The Wilberforce School.

Walt is a proven leader who demonstrates a genuine care for teachers and scholars, a bias toward action, and an eagerness to partner with families in delivering a classical education to scholars at Seacoast Classical Academy. Walt is married to Nicole Pruett who holds a masters degree in K-5 education. Together with their four children, they love to go forest biking, enjoy time at the beach, game nights, and staying active.
